

European Small and Mid Cap Conference

special focus:

**Value Investing Ideas
Austrian Investment Opportunities**

The 2018 European Small and Mid Cap Conference presents exceptional European investment opportunities, especially in terms of value investing.

With a special focus on Austria and the growing importance of Vienna as a financial centre, the event will also look at recent global and European political and economic developments and their impact on European companies in the near future.

Krakauer Management is based on two pillars, Roadshows and Wealth Management.

We organize Roadshows, taking place in Europe and Canada. We arrange one-to-meetings and group presentations mainly for small and mid cap companies.

Companies listed at the Vienna Stock Exchange and asset managers will be introduced to advisors, asset managers, banks, family offices, insurance companies and other stakeholders.

We also provide discretionary and advisory wealth management with our German partner WBS Hünicke Vermögensverwaltung.

AlsterResearch focuses on equity research. We currently cover more than 70 different stocks, the majority in partnership with the Norddeutsche Landesbank.

Our combined research portfolio comprises more than 200 German and international securities. With our partner, we have the highest reach in the retail sector throughout Germany.

In addition, we help small and mid cap companies to gain a higher awareness on the capital market. Also, we continuously search for new exciting and promising investment opportunities for our institutional investors.
